SILKPEEL™ DermalInfusion's™

newest solution harnesses the power of Vitamin C to infuse the skin with powerful antioxidants. Formulated to help target environmental damage caused by daily exposure to sunlight, smog, pollution and stress, this new blend contains:

- Stabilized Vitamin C, Algae Extract, Vitis Vinifera (Grape) Seed Extract to aid in free-radical repair and collagen synthesis.
- Panthenol, Allantoin, and Sodium Hyaluronate to restore and hydrate with quenching moisture.
- Aloe, Camellia and Glycerine to reduce redness and calm the skin.

This new formula can be used in conjunction with any of the other SilkPeel™ solutions to create a customized treatment plan for your patient.

For more information, visit us on the Web at www.SilkPeel.com, or call (888) 848-3633.
